Volunteers Needed for the Heart Gallery

Are you looking for ways to help find these children forever families but don't have much time?

Become a venue volunteer!

Our venue volunteers pick up the new photos each month at our office, take them out to a venue and replace the older photos. This is something that only happens once per month and makes a huge difference in finding forever families for our waiting kids!

This is a great role for families with children to volunteer for. Your kids can go with you to change out the pictures and really see how even they can make a difference in another child's life.

We are currently seeking venue volunteers for two different venues:

The Friendly Street Market on Friendly Street in Eugene
Market of Choice at 29th and Willamette Street in Eugene.

New Heart Gallery Venue: Bethesda Lutheran Church

After hosting AFFEC's family support group for the past year, Bethesda Lutheran Church in Eugene decided they wanted to help even more in finding forever families for waiting foster children.

With the help of an individual donor who purchased the framers and the cost of the photos, Bethesda transformed their entryway into a great venue featuring 8 different photos and bios of waiting foster children. The church leaders could not be more excited to spread AFFEC's mission with their congregation and the various community groups that use their facility.

The heart gallery was even the subject of a recent sermon at Bethesda; sharing with the congregation the importance of communities stepping up and providing security for those who need it most (our kids).

Thank you Bethesda Lutheran Church for helping our kids find forever families!

If you are a part of a church or place of business and would like to host a heart gallery venue, please contact info@afamilyforeverychild.org. List of all [Heart Gallery Venues](#).

In Loving Memory: Roseann C. Endres

Roseann died the morning of June 13, 2013.

Roseann C. Endres was a loving person, mom, wife, granddaughter, niece, aunt, teacher, and photographer for A Family For Every Child. She also changed the lives of many, many foster children.

Roseann was a young woman and left behind a loving husband and two young daughters. She did not leave, however, without making a huge impact.

Volunteer AFEC

We thank her and celebrate her life!
