

## A Family For Every Child Mentor Program

"A Mentor is someone who allows you to see the hope inside yourself"

*"Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed it's the only thing that ever has."*

*- Margaret Mead*

### **A Note From The Director:**

*It's a great time of year within our Mentor Program. We are off to a great start to Spring. We have so many individuals requesting to become mentors for youth as well as many youth in need of a mentor. As I reflect on the wonderful work we do in our program, I would like to give a warm thank you to all the individuals that help make our program the best it can be.*

*I am so honored to have such a fantastic team of interns this term that have compassion and passion for the youth we serve. I also would like to give a warm thank you to all the wonderful mentors we have within our program. YOU are the reason why we have such an outstanding program.*

*Without our kindhearted, dedicated and thoughtful mentors, we would not be able to offer a profoundly meaningful relationship between and youth and a community member. It*

*amazes me at times to know that so many of our mentors come from all walks of life, but yet possess one thing in common- to help support and give encouragement to the youth in our community. Many thanks to all those that help make our program superb.*

*Warm Regards,*

*Mavis Sanchez*

### **AFFEC Peer Group Mentoring!**

We are so enthused to announce our brand new efforts with mentoring youth as a group!

We have many youth patiently waiting for a mentor and instead of waiting any longer, we have decided that these youth are so valuable to us that we would like to mentor them as a group as they wait for their specific mentor.

We are so thrilled by the positive response we have received from community partners and community businesses! Groups will be broken into small groups, consisting of two adults to six youth. Each group mentor outing will consist of pro-social activities, life skills, and independent living skills.

*If you are interested in supporting our efforts, please contact [mentor@afamilyforeverychild.org](mailto:mentor@afamilyforeverychild.org) to learn how you may help.*
