

A Family For Every Child Heart Gallery

"It's one thing to make a picture of what a person looks like, it's another thing to make a portrait of who they are"

Becoming an AFFEC Heart Gallery allows you to help foster children find forever families nationwide. Foster care children receive the opportunity to have professional photos taken with one of our skilled photographers, all of whom do an amazing job bringing the children's personalities to life through portraits!

The pictures are then put on display at one of our many locations throughout the Pacific Northwest (often featured in fundraising events.) In addition, these venues help make communities aware of not only the needs, but the resources available to children in foster care. Many people in the community often feel like they want to help, but are unable to commit to becoming a foster parent. This is just one way to help northwest children in care.

A Home for the Holidays

A Family For Every Child invites you to come celebrate a "Winter Wonderland," themed event and help a foster child find a Home for the Holidays.

Come celebrate a "Winter Wonderland"! Help a foster child find a forever family.

OUR MISSION: A Family for Every Child is dedicated to finding loving, permanent families for every waiting foster child.

On behalf of a A Family for Every Child and our 7th Annual "Winter

"Wonderland Dinner & Auction", we would like to take this opportunity to invite you to partner with us for this worthwhile event supporting foster children in search of their forever families. The event will be hosted at the Valley River Inn, on November 17th, 2015 starting at 5:30pm.

A Family for Every Child is a non-profit organization that began in 2006. We are focused on finding permanent and loving adoptive homes for waiting children. Our goal is to develop programs that assist special needs/challenging-to-place foster children, in finding their own forever families.

A Family for Every Child has served nearly 5,450 children and families. Along with dozens of dedicated volunteers, we are asking for your support by donating to our oral and/or silent auction. Would you please consider donating any items that you may think auction goers would want to purchase? No gift is too small, as we can use all donations to benefit our auction in one form or another. Some ideas include gift certificates/cards, tickets to sporting events, concerts, destinations & accommodations, and donations of services provided in form of gift certificates.

Not sure if you can make it? We are now set up to take donations online. Simply click the link below and choose which option is best for you.

Every donation helps a child.
