

A Family for Every Child Heart Gallery

A Family for Every Child is so proud to partner with Heart Gallery of America and provide professional photo sessions and offer our Heart Galleries as an extra recruitment tool to help all children find a forever home. This year we are celebrating 10 years as an organization and 10 years of Heart Gallery here in Lane County!

Heart Gallery not only brings awareness to children in the system, but also helps to break the negative stigmas that are associated with being a child in the system. The children featured in the Heart Gallery are deserving of dignity, respect, and most importantly an opportunity to a new life. It is our hope that these portraits will touch prospective

parents in our community and encourage them to adopt.

Venue Shout Out!

Thank you to our newest Heart Gallery venue, Holt International! We are so excited for this partnership with Holt International. Go and check out their heart gallery venue in their lobby!
