Bakka

Bakka is a happy young man with a charming smile. He is very social, always trying to make the people around him laugh with his silly antics. He is earnest when he says there is nothing he wants more than an adoptive family. He longs for a parent to play board games with, to make cookies with and to laugh while watching TV and movies together.

All of our **Heart Gallery Venues** choose to donate their space to help us bring awareness to children in foster care that are looking for their forever **family**. These are the smiles of children you see in your neighborhood playing, children that your child goes to school with, these are children you could see as an addition to your family someday. The Heart Gallery is not just a program, it is the hope that you can provide a forever family for a waiting foster child.

If you are interested in supporting our Heart Gallery you can sponsor a venue and the frames we use below.
