

MENTOR PROGRAM | "BE WHO YOU NEEDED WHEN YOU WERE YOUNGER"

What We Did in July

Fun. Experience. Memory. Support.

July 2nd, 3rd and
4th: Art and the
Vineyard

July 30th:
Children's Celebration

July 17th:
Eugene Emeralds Game

Art in the Vineyard: Art in the Vineyard was a great experience! We were in the children's area doing crafts with all the kids who came by. We had the opportunity to talk with individuals about what it means to be a mentor and

how to become a mentor.

Emeralds Game: The Emeralds won 5-4 against the AquaSox! This night was philanthropy night, which highlighted A Family For Every Child. One of our longest lasting mentor/mentee relationships attended, and the mentee got to throw the first pitch! It was a great night!

Children's Celebration: Willamalane hosted this event to give back to the community in fun, free way. We made bracelets out of pipe cleaners and colored canvas bags with the kids! It was a great day to connect with kids and their families

During July we focused more on getting out in the community and working to get more mentors. However, in August we are going to focus more on coming back into our own organization.

Upcoming Events!

On **August 26th** we will have a life skills class and a meditation lesson taught by a mentor and mentee pair!

On **August 30th** there will be a youth outing at Greenhill!
