NEW YEAR

JANUARY: NATIONAL MENTOR MONTH

It's 2018 and there's no better time to start making a difference in a youth's life. There are youth in every community that can benefit from the commitment of time from a mentor.

Why Should You Mentor?

Studies have shown that the impacts a mentor can have on a youth can greatly increase their success down the road. Youth who experience the impact of a mentor are:

- 81% more likely to regularly participate in extracurricular activities
- 55% more likely to enroll in college
- 52% less likely to skip school
