

A Family For Every Child Mentor Program

Mentor Program

Having a mentor makes a lasting impact on a youth's life. Every youth who does well in life had a connection with at least one positive adult role model.

Our Mentor Program's mission is to ensure that no youth, no matter their circumstances, be denied an enthusiastic and supportive adult who genuinely cares about their well being and success.

You may ask: *But How Can I Be a Mentor?*

There are many ways to be a mentor. You can mentor on your own or include your family. You can teach your youth outdoor skills, how to play an instrument or help them with their school work. Hikes, bike rides, swimming, woodwork, arts and crafts, camping... the list is endless because every mentor pair is unique! If you've ever wondered if you have what it takes to be a mentor, we're here to tell you yes, you do!

Youth activities

We had quite the eventful winter! Our youth not yet matched with mentors had outings to MultiVRse Gaming in Eugene, The Museum of Natural and Cultural History, Oregon Air and Space Museum, As well as the Maker Hub at Eugene Library.

This Spring, we have outings planned to Mt. Pisgah Arboretum, Bounce Gymnastics, Silver Falls, and a fishing trip to Carmen Diversion Reservoir!

None of these trips would be possible without the wonderful people who donate their time and resources to making sure that our youth who are in need of mentoring have the same access to fun activities as those already matched. Thank you!

Life Skills

Over the winter, our mentor matches got to enjoy an escape room, donated to us by Trapdoor Escape Rooms in Eugene. The mentors enjoyed seeing their youth exercise teamwork and critical thinking to solve a problem! Warrior Sisters also donated a self-defense class to our mentor matches, helping our youth and their mentors build confidence with practical skills!

This Spring our mentor pairs will get to enjoy a creative writing course with Salmon House Writer's Workshop, a nature walk at Mt. Pisgah, and will be joining our waiting youth for the fishing trip!

"The delicate balance of mentoring someone is not creating them in your own image, but giving them the opportunity to create themselves." — Steven Spielberg
