

# April Host Home Newsletter

## WHAT WE'VE BEEN UP TO:

### **Recruitment Campaign:**

A Family For Every Child is launching a recruitment campaign to boost awareness about the Host Home program throughout the community. We are looking for families with a willingness to open their homes and hearts to a youth in need and provide a

safe comfortable environment for them as they continue their education and participate in services that help them to grow as effective members of the community. If you or someone you know has a spare bedroom and a desire to make a huge difference in the life of a young person in our area, please contact the Permanency Department at A Family For Every Child for more information.

### **New Connections:**

The 15th Night initiative is constantly taking on new partners and programs that will help us to build our foundation of available services for at risk and homeless youth in our community. Right now we are working on partnering various programs that already existed in our community, with the 15th Night to further the scope of how we can help homeless youth.

### **What's next:**

With Spring coyly knocking at the door, we are making plans to be out and about at local community events to share our mission and educate others on how easy it is to get involved with our programs. We will build a firm foundation of families who will be ready to jump in and help in a moments notice.

## **WELCOME TO SPRING EVERYBODY!**
